University of Geneva — Geneva, Switzerland
BSc in Economics and Management, with a concentration in economics | GPA: 5.2/6.0 — Sep. 2022 – Jun. 2025

EXPERIENCE

University Hospital of Geneva (HUG) – Clinical Research Center — Geneva, Switzerland
Administrative Assistant — Jun. 2026
- Coordinated research proposal review requests with professors and improved presentation materials.
- Identified a gap in procedural guidance and designed a visual reminder for nursing staff.

Satiscan Sàrl – Museum of Art & History — Geneva, Switzerland
Survey Administrator — Jun. 2025 – Jan. 2026
- Conducted visitor interviews across diverse audiences and collected standardized data on their experience.

University Hospital of Geneva (HUG) – Intensive Care Unit — Geneva, Switzerland
Reception Clerk — June – July 2023
- Coordinated visitor access and incoming calls, liaising with medical teams to ensure compliance with protocols.

UNICEF Communication Department — Geneva, Switzerland
Observation Internship with Spokesperson — December 2017
- Observed spokesperson activities, media relations and press conferences within an international organization.

RELEVANT ACADEMIC PROJECTS

SBB/CFF iamo – Automated Mobility Student Challenge — EPFL
- Developing a business model for automated public transport in Switzerland by identifying use cases, assessing service models, and mapping key stakeholders.

Sika Environmental Mitigation Framework — E4S
- Developing a framework to mitigate water risks at manufacturing sites in water-stressed areas by assessing local conditions, evaluating solutions, and translating findings into actionable mitigation measures.

Impact Fund: TechAir Venture — EPFL
- Evaluated early-stage decarbonization startups and formulated an investment thesis and portfolio strategy for a simulated deeptech impact fund.

Romande Énergie – Strategic Innovation Project — IMD
- Designed a digital energy-management service concept using design thinking, stakeholder analysis, and business model innovation to support household energy optimization.

CERTIFICATES

Global Leadership Program — Berkeley, USA
International House, UC Berkeley — Jan. 2025 – May 2025
- Completed training in intercultural communication, cultural intelligence and inclusive leadership.
- Coordinated the Swiss booth at the Intercultural Festival, mobilizing Swiss students and Swiss consulate.

SDG Summer School: Planetary Health — Geneva, Switzerland
University of Geneva — Summer 2025
- Conceptualized an AI app for a WHO osteoporosis-prevention challenge (2nd place, SDG competition).
